Dear Parents/ Guardians

EMMANUEL CATHOLIC COLLEGE welcomes Music Scholarship applications from both primary and secondary school students. We offer an excellent and meaningful Music Program attracting talented and vibrant musicians to the College who have set their sights on attaining the highest possible levels of music excellence. Performance opportunities for all students are endless, both internally and externally. Our tutors make available music accreditation as option through various music institutions across Australia and currently in the World today. The Emmanuel Music Program is fully supportive of students gaining external accreditation in performance, musicianship and music theory.

- Music Scholarships are awarded as the result of a successful audition and interview.
- The duration of the Music Scholarship is for one academic year.
- Recipients of a Music Scholarship are required to attend a short interview with the Principal initially and then the Director of Music, at the end of each year to review the status of the scholarship.
- Recipients of the Music Scholarship will receive either 100% or part (choral) of annual music tuition fees for one performing medium with a College appointed instrument or voice teacher.
- On receipt of a Music Scholarship, you will receive a Certificate and a letter detailing information regarding all payment and tutor nomination procedures relating to the scholarship tuition.

Acceptance of a Music Scholarship is dependent on the student agreeing to fulfil the following conditions:
