

## 7.0 UNIFORM POLICY

### 7.1 RESPECT FOR SELF

Any form of writing or drawing on the body or uniform will not be tolerated.

### 7.2 UNIFORM

At Emmanuel Catholic College students are required to wear a uniform. Although uniforms are expensive to buy, they last a long time and are usually easy to look after.

***For a detail information of the College requirements regarding the uniforms for girls and boys, please see the illustrations overleaf.***

Some general statements regarding the uniform include;

- Students, who are out of uniform, must supply a relevant note to their Pastoral Care Teacher outlining why the correct uniform is not being worn. The Pastoral Care Teacher will supply the student with a Uniform Exemption Slip valid for one day. Students must carry this with them all day and produce it upon request.
- Students who repeatedly wear their incorrect uniform will be interviewed by their Head of Year. In such situations parents will be phoned and asked to bring the correct items of uniform to the College.
- Year 7 – 10 students are required to wear their Physical Education uniform on the days they have timetabled Physical Education lessons (except Tuesdays). This does not include Health and Physical Education elective subjects (e.g. Sport and Outdoor Education, Specialised Physical Education, etc.)
- On Tuesdays all students are required to wear their formal uniform for the duration of the day. Any student with any Physical Education classes must bring their Physical Education uniform to school separately and change.
- In Terms 2 and 3, the full College tracksuit must be worn to and from school.
- Students who have school sport training after school may wear the Physical Education uniform home.
- Students must wear the correct College hat during all Physical Education lessons in Terms One and Four.
- Students are strongly encouraged to wear the correct College hat, and sunscreen, when in the sun during the break times of lunch and recess, before and after school, particularly in the warmer months of Terms One and Four.
- On House designated days students are expected to wear their House Shirt with their Sports Uniform to and from the College, e.g. Patron Saint Feast Days, Swimming and Athletics Carnivals.

**Exceptions will not be made as this would be unjust to the students who are following correct procedure and representing the College in a positive manner.**

The public image of the College is dependent on the appearance of the students. The support of parents is essential in maintaining the standard of student's uniform and grooming. Students should be encouraged to take personal responsibility for their own appearance.
