Dear Parents/ Guardians

Music Scholarship Information

EMMANUEL CATHOLIC COLLEGE welcomes Music Scholarship applications from both primary and secondary school students. We offer an excellent and meaningful Music Program attracting talented and vibrant musicians to the College who have set their sights on attaining the highest possible levels of music excellence. Performance opportunities for all students are endless, both internally and externally. Our tutors make available music accreditation as an option through various music institutions across Australia and currently in the World today. The Emmanuel Music Program is fully supportive of students gaining external accreditation in performance, musicianship and music theory.

- Music Scholarships are awarded as the result of a successful audition and interview.
- The duration of the Music Scholarship is for one academic year.
- Recipients of a Music Scholarship are required to attend a short interview with the Principal initially, and then the Director of Music, at the end of each year to review the status of the Scholarship.
- Recipients of the Music Scholarship will receive either 100% or part (choral) of annual music tuition fees for one performing medium with a College appointed instrument or voice teacher.
- On receipt of a Music Scholarship, you will receive a certificate and a letter detailing information regarding all payment and tutor nomination procedures relating to the Scholarship tuition.

Acceptance of a Music Scholarship is dependent on the student agreeing to fulfil the following conditions:

1. Regular and punctual attendance at the instrumental/vocal lesson and in addition full and part Scholarship holders must attend Choir, Band and or an Ensemble each week, with satisfactory practice and progress being made – assessment of which will be based on written reports from the instrumental/vocal or ensemble teachers concerned.
2. Active participation in an Ensemble pertaining to current levels of progress and as determined in consultation with the Director of Music. Ensemble directors will be consulted for an assessment of the student's attitude, attendance and effort at rehearsals and College commitments.
3. A commitment to performance opportunities provided by the College Choir, Bands and Ensembles. This involves regular attendance at rehearsals and a willingness to attend scheduled performances.
4. All Music Scholarship holders are strongly encouraged to annually enter the Annual Catholic Primary and Secondary College's Performing Arts Festival.
5. Encouraged to enrol in Classroom Music Year 7 through to Year 12.

AUDITIONS

Audition Process - Candidates should prepare two contrasting short pieces (Fast and Slow) on their major instrument/voice that they wish to be awarded the Music Scholarship for. There is no provision to swap the Scholarship over to another instrument after the awarding of a Music Scholarship. If required, an accompanist will be made available on the audition day. A copy of your audition music, accompaniment music (if required), relevant music reports and passed exams will be requested once an audition time has been confirmed.

Auditions times will be notified by email after the closing date of applications. Auditions will be held in the Sport & Performing Arts Centre of Excellence (S.P.A.C.E.) Music Room after school. If you wish your child to take the Music Scholarship Audition, please give careful consideration to the Scholarship requirements.

Please do not hesitate to contact Mr Peter Legg, Director of Music if you need further clarification on this matter.

Yours sincerely
