

EMMANUEL Cross Country Carnival 2017

On the last day of Term One, our annual Inter-House Cross Country Carnival was held on the College oval and surrounding Beeliar Regional Park. It is always a fantastic way to lead into Term One holidays. This year we had perfect conditions for the event, with a slight breeze and a high of 23 degrees, it was set up for some excellent times. It appeared as if all students had an enjoyable afternoon walking or running the 3.3km course. All students participated with great enthusiasm and represented their House extremely well.

A HUGE CONGRATULATIONS to our Cross Country Champions for 2017

FRANCIS HOUSE

As always, the students approached the final day of Term One with an enormous amount of House spirit. The competition was very close throughout the day, but at the end of the Carnival, Francis proved too strong for the rest of the Houses, taking out the Emmanuel Cross Country Shield.

Congratulations must also go to More House, who had the highest percentage, by quite a large margin, of students participate and consequently take out the Tassie Devil Award for 2017.

All the results from the day have been sent out to all students:

A huge thank you to all the House Coordinators, Mr Jarrod Parry, Dr Lynette Field, Mr Phil Oddie, Mr Jordan Tirli, Mr Kieran Gherardi and Miss Kerry Reynolds for setting up and organising their House's on the day. A very big thank you to all the PE Staff, these days are not possible without your help and expertise. These days are also not possible without the support and help of all staff members that had specific duties throughout the afternoon, so thank you to all that contributed so well on the day. To the P&F, who supplied a bottle of water and fruit for all students as they crossed the finish line, your support was appreciated.

Finally, to all the students that participated on the day, your enthusiasm, and willingness to get involved and be an important member of your House group was outstanding.

Thank you all very much.

Mr Ryan Henley - Director of Sport
