

## CANTEEN NEWS

### **Emmanuel's New Online Ordering & Cashless Canteen is Here!**

Our school has now introduced a great new online ordering and cashless system for our **College Canteen** called FlexiSchools. This system allows parents, students and staff to place orders from home, work or school at any time. The payment is also done online, so **less paper bags, cash, cheques, and envelopes are sent via your student to school**. As well as being convenient for parents, the online orders are much faster and easier for the school coordinator to process - so it makes everyone's life a little easier. FlexiSchools is well established and tested, operating in hundreds of schools across Australia.

Getting online is easy and only takes a few minutes to register. Simply go to [www.flexischools.com.au](http://www.flexischools.com.au) and click "**Register Now**". You will be sent an email with further instructions on how to complete the registration. Once registered, you can start placing orders immediately. If you have any questions, FlexiSchools provide a great help desk on 1300 361 769, or you can contact them via their website.

This system also utilises students current **Transperth SmartRider cards** for payment and purchases. You will need to link your child's SmartRider card to your Flexischools account and nominate a payment option. Any balance currently on your child's SmartRider is for travel only. Once you have linked this to FlexiSchools, you will have a separate canteen account and you will also have your existing travel account. These are two independent card balances on the one card, and operate separately. **Travel account funds cannot be utilised for canteen purchases, and vice versa.**

There are a variety of payment options supported, including Visa, Mastercard (credit and debit) and Bank Transfer. The system operates via a pre-paid account, so you no longer have to worry about the manual process of sending payments into school, and you can easily budget your students spending and expenses throughout the year.

The system is now available, so we look forward to seeing your next canteen order online!

If you have any questions about the online services we are introducing, please ask Mr Roger Spong our Canteen Manager for more information. Thank you for your support.
